21 Reasons Why You Should Read the word of God - Everyday - Page 2

IF

IF there is only ONE accurate translation of the word of God, and IF that same word of God can ONLY be broken by a preacher sent by God meaning you can't understand it without hearing it from such a preacher, and IF all these other watered down versions of the bible which have flooded the world and misled millions into thinking that the true word of God is malleable and loosely translated and easily understood by just anyone, and IF strait (rigor, righteousness) is the way and narrow is the path that leadeth unto life and FEW there be that find it, and IF no where in the true word of God did the multitudes receive the truth nor follow

in the way of holiness and righteousness, and IF God instructed us though the number of the children of Israel (those who call themselves Christians) be as the sand of the sea, only a remnant would be saved, and IF the devil has many more preachers than God, and IF you aren't diligently seeking the Lord in word and deed and striving to do all you can to be obedient to His Word, and IF God is His Word (John 1:1) and not words, and IF the righteous SCARCELY be saved (1 Peter 4:18), and IF you are comfortable in your sin and going to church out of tradition only, and IF all that will live Godly in Christ Jesus SHALL suffer persecution and you are not, WHERE does that leave your soul if you

die today?

And IF Jesus Christ is the same yesterday, and to day, and for ever (Hebrews 13:8) and He taught us in multiple places "TAKE HEED, let no man deceive you", and IF God reputes the inhabitants of the earth as nothing, and IF God demands strict obedience and does all things for His glory and resists the proud and gives grace to the lowly, and IF His Word teaches us to be in the fear of the Lord all the day

Has the original 1611 King James Version really been changed drastically from the original KJV you buy today? Consider these facts:

The facts... The King James Bible contains **791,328** words. Since the first King James Bible rolled off the press in 1611 to the King James Bible you buy off the shelf today, there have been - are you ready - there have been a grand total of 421 word changes! That's it!

From 1611 until now, the King James Bible has undergone a grand total of 421 word changes,

amounting to only five one-hundredths of a percent of the text! But that's not all. It gets better.

Out of the 421 total changes amounting to only five one-hundredths of a percent, the following should be noted - **TOWARDS** has been changed to TOWARD 14 times.

BURNT has been changed to BURNED 31 times.

AMONGST has been changed to AMONG 36 times.

LIFT has been changed to LIFTED 51 times.

YOU has been changed to YE 82 times.

Out of a grand total of 421 changes from 1611 to the present, almost 300 of the 421 are of this exact nature! Now let's do the math...

By omitting changes of this nature, we now have about 150 (to be conservative) remaining changes. This amounts to one one-hundredth of a percent of the text.

The remaining 150 changes from 1611 to today are composed of printing errors, spelling standardization, and a few minor phrase changes. For example...

In Genesis 22:7 **AND WOOD** was changed to **AND THE WOOD.**

In Leviticus 11:3 **CHEWETH CUD** was changed to **CHEWETH THE CUD.**

In Romans 6:12 **REIGN THEREFORE** was changed to **THEREFORE REIGN.**

Friends, this is the ENTIRE extent of the nature of the changes from the King James Bible of 1611 to the King James Bible of the present day. **Source:** <https://bible.org/article/changes-kjv-1611-illustration>

Editor's Note:

Have you noticed since the flood of all these new translations of the bible that America, and the world, has gone to hell and total moral depravity? Yet we have more

churches now than in history but most filled with vain religion. **Friend don't you fall for this "easy greasy" grace that's being taught where you can live any old way and still sneak into glory. THERE IS NO BIBLE FOR IT. God is the same and He still requires strict obedience to His Word, holiness, righteousness and living separate from the world.**

You better seek you out a preacher of righteousness if you don't follow one now and remember what the Lord taught us "Strait (meaning: rigor, righteousness) is the way and narrow is the path and FEW there be that find it!"

Grace Will Always Be Greater Than Sin

Isaiah 53:5 "But he (Jesus) was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

God's grace will always be greater than sin,
For the bible tells me so.

For every sin ever committed and every transgression,
On that hill at Calvary His blood did flow.

You see the devil spends every moment accusing,
At times we grow so weary from the heaviness.

And when we feel as though we will crumble underneath it,
We cry out to Jesus and He takes it away with such gentle finesse.
Because He said whoever comes to Him, He will in no wise cast out,
What comfort for our soul knowing He's always there.

Not to condemn us for our mistakes,
But to take upon Himself, as Peter said, our every care.
Know this oh troubled soul that God doesn't condemn but convict,
Our sin He wants to forgive and forget forever.

As His Word teaches, He wants us to prosper and be in health,
The only condition being even as our soul doth prosper.

That is why He gave us the gift of His grace,
Undeserved favor from the Mighty God our Creator.

His grace will always be greater than our sin,
And it's best we realize that sooner rather than later.

Even the chief apostle Paul who accomplished more than many others,
Said "By the grace of God I am what I am".

And to come boldly before His throne by grace,
That we may find mercy to help in time of need is the plan.

Remember O saint of God that His grace is undeserved favor,
And the only way it can fail is if you quit trying.

So any thought, feeling, words or emotions enticing you to give up,
Is just more of the devil's intolerable lying.

So no matter how bad you think what you've done wrong might be,
Do yourself a favor and let God be the Judge; it's not your place.

Because Jesus was bruised for our iniquities and wounded for our transgressions,
Never stop seeking Him with a repentant heart and you will always find His grace.

DEEP FOR THE SOUL WHO LOVES THE WORD OF GOD; RIGHTLY DIVIDED **WATERS**

Spiritually Discerned

The bible is written in plain English. The accurate interpretation of the word of God is the original King James Version which is written in what some refer to as Old English. I've heard many times from people the reason they don't read the original KJV and resort to newer translations is because they don't understand the original. Is it because it's written in Old English? No! It's because the accurate translation of the word of God is a spiritually discerned book and the bread from heaven must be broken by a preacher sent by God. Otherwise there is no need for preachers and no need for any order in God's church. And most importantly, there would be no need for faith and that is the only way to please God; faith! If anyone could pick up the bible, read it and understand it without the help of a preacher, it would be the same as man taking hold of the tree of life and living forever which God stopped immediately after Adam and Eve fell.

It is the Holy Ghost that actually opens your understanding, yes, but the Word still must be broken by a preacher sent by God. Romans 10:14 ...and how shall they hear without a preacher?" The word "hear" in this verse means "understand". John 6:63 "It is the spirit that quickeneth; the flesh profiteth NOTHING: the words that I speak unto you, they are spirit, and they are life." If anyone

could read the word of God and understand it, then Jesus wouldn't have wasted His breath when He told Peter "feed my sheep". What amazes me is how many Christians are listening to preaching which they know good and well doesn't line up with the word of God and bothers their conscience but they won't make a change! Please remember that there were only 8 souls saved in the days of Noah and there were sons of God who drowned outside that ark! Better yet, remember the tens of thousands who witnessed very notable miracles by Jesus but there were only about 120 souls who went to the upper room? Or the fact that the apostle Paul did mighty work in Asia establishing the church there and before he died, all of them had turned away.

Please listen friend and let me exhort you adamantly that your soul is at stake and no Christian ever had it easy getting to heaven. And God will let you die and go to hell believing lies and not do one thing to stop it because it's up to us to seek Him, His kingdom, His righteousness which is the understanding of His Word DILIGENTLY or we won't make it! How do you know if the word of God is being preached correctly? Well it starts with the original KJV and the Word will be rightly divided. It will prick your heart of sin, indifference and unrighteousness. It will motivate you, if your heart is sincere, to do all you can to live a holy, separate life from worldly ways and lusts.

It will edify your soul, give you strength to separate yourself from the world and keep your eyes on Jesus. It will give you discernment in the ways of the enemy and let you see by the Spirit of God just how sinful this world is. It will guard you against hypocrites. It will make you a fruit bearing tree in the vineyard of God. It will give you the peace that passes all understanding. It will deliver your soul from hell. Friend if you are serving God your own way, after the imagination of your own mind, you are missing God and will die and go to hell if you don't repent and change your ways.

Have you received the Holy Ghost SINCE you believed?

Amos 6:1 "Woe to them that are at ease in Zion,"

Modern day Christians have been deceived into thinking that being a Christian is easy. All that is required is to call yourself a Christian and maybe go to a building called church faithfully. It's never been taught so in the bible nor recorded in history that this was the case! God does not accept excuses.

We Need Your Help

Let me begin by praising the Lord for this wonderful work called Heartbeat Christian News. It gives me great joy to see each finished issue knowing I have done a lot of praying, meditating and listening to strive to make sure that only what the Lord wants in there is in there; period.

With that being said, the Lord knows we are in need and He laid it on my heart to ask you the readers to help. We are in a budget deficit and the need is great. **We are asking you the readers to help us raise \$7,000 to help get a firm financial foundation under this newspaper.** It may seem like a big number but not really. Considering TV preachers take up millions every year this is small in comparison. And the fact that we

aren't asking any one person to do it all even though that would be amazing wonderful.

A bit of background about Heartbeat Christian News to give you some insight. **We started this newspaper around 7 years ago with no starting capital.** Only a vision to publish a unique Christian newspaper unlike any other out there whose focus was to help ALL Christians by publishing the word of God; right divided. Because the work of God is done in the highways and byways and the training for it takes place in churches. HBC News is a strong ministry to those who can't get to church due to physical restraints (i.e. nursing homes, etc.) and those who won't because of scorners who have made them to feel outcast.

Allow me to be blunt here and say if this letter

offends you then turn the page; it's not for you. But, if you love this newspaper and understand the importance of what we do, consider how much money each of us waste on unnecessary things such as eating out too much, junk food, extra cars we don't need and ask yourself how much more rewarding it would be to help a work of the Lord that's helping others. Friend I'm asking you to give in increments of \$20 or \$100 and the need is great! Yes we have a lot of advertisers that are very thankful for but remember it costs a lot to print and distribute this newspaper!

Lost at Sea

Pew

Pew is the word we use oftentimes when something smells bad. Pew is also a common type of bench many folks sit on while attending church. **Given the right circumstances, the two words can be synonymous.** Meaning? Meaning if you think that going to a building called church and sitting in a pew is all that is required to be saved, you are sorely mistaken. The purpose of going to church is not a social gathering. It's to come together with the body of Christ, praise and worship Him and hear the word of God; rightly divided. This gives our spiritual man the food to be healthy and strong, more knowledge of God to protect us from the wiles of the devil and the wherewithal to be an effective witness for

the Lord to lost souls we encounter in our daily lives. And finally, the ability to be involved in a work of the Lord.

Jesus did not come to bring religion. There has always been plenty of that. His greatest adversaries were the religious leaders of that day and they still are today to the true Christians. **Jesus came to bring salvation by faith.** The word religion is barely mentioned in the bible. In fact, the bible teaches whatsoever is not of faith is sin.

Let me get to the heart of what God wants me to help you to see. Going to church merely as a religious activity won't save you. Salvation comes from the following. Hearing the word of God, rightly divided, from a preacher sent by God. You are pricked in your heart of your sins, realize you

are lost and need to make a change. You go to the altar, confess your sins to God with a repentant heart asking Jesus to come into your life and be the Lord of your life. You make some sort of public confession of what you have just done. Now you are a clean vessel for the Lord to begin to work with. Now you must begin to do all you can to live your life as clean as possible according to the word of God AND seek God diligently through prayer for the indwelt Holy Ghost. **The Holy Ghost is given by the laying on of hands by a man ordained of God to do so (Acts 8:16-18).** And God only gives His Spirit to them that obey Him (Acts 5:32). After you receive the Spirit of God, and only after, are you truly born again as defined in John 3:5. Biblical proof that it is not all given at once can be found in Acts 19:2 "He said

unto them, Have ye received the Holy Ghost SINCE YE BELIEVED?..." Never forget that everything God gives you **MUST** be received and is never forced or coerced.

Just because it's rarely taught anymore as to the proper steps of salvation doesn't make it any less true or able to circumvent. Your soul is at stake and you only get one chance to get it right which is the time God gives us in this life. This same false anointing has many believing in "easy, greasy grace" and that most everyone is going to make it to heaven but no part of the bible implies or teaches that. **Galatians 6:7 "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap."**

Jesus speaking to His followers including the most loyal of them, the apostles said in Luke 13:3&5 "I tell

you, Nay: but, except ye repent, ye shall all likewise perish."

Matthew 7:14
Because strait is the gate, and narrow is the way, which leadeth unto life, and FEW there be that find it.

Peter 4:18
And IF the righteous SCARCELY be saved, where shall the ungodly and the sinner appear?

Matthew 7:23
And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

The fear of the Lord is the BEGINNING of wisdom and knowledge. Pscm 111:10 & Proverbs 17

The Dead Mule

A Pastor went to his church office on Monday morning and discovered a dead mule in the church yard. He telephoned the police. Since there did not appear to be any foul play, the police referred the Pastor to the Health Department.

They explained, "Since there was no health threat you'll need to call the Sanitation Department."

When the pastor called the Sanitation Department, the Manager of the Sanitation Department said, "I can't pick up that dead mule without authorization from the mayor."

The Pastor was not at all too eager to call the mayor,

who possessed a very bad temper and was always extremely unpleasant and hard to deal with, but, eventually, the Pastor called the mayor anyway.

The mayor did not disappoint the Pastor. The mayor immediately began to rant and rave. After his continued rant at the pastor, the mayor finally said, "Why did you call me any way? Isn't your job to bury the dead?"

The pastor paused for a brief prayer, and asked the Lord to direct his response. The lord led the pastor to the words he was seeking, "Yes, Mayor, it IS my job to bury the dead, BUT I always like to notify the next of kin first!"

About 3 years ago, a woman called my pastor's wife and spoke to her for about 30 to 45 minutes all about Heartbeat Christian News. This was her testimony. She said she was at the lowest point of her life, found a copy of Heartbeat Christian News, read it from cover to cover, and it turned her life around!

21 Reasons Why You Should Read The Word of God Every Day!

Continued from Page 2 ...

11. Shows how weak people become strong
12. Shows how wrong people become right
13. Shows how quickly God turns you into an extraordinary person
14. Shows how the greatest catastrophe can be changed for your benefit
15. Shows miracle if you hold on to your dream
16. Gives example how currents of favor bring you from bottom to top
17. Read out loud - God's presence will manifest in you more
18. Changes the way you think
19. Warns of end of rebellious life
20. Lives of those who ignore Him end in disaster
21. Instrument Holy Ghost uses to change us.

A foolish monkey and a crafty bird were sitting high up on a tree branch in the jungle. The monkey was taunting the bird but the bird was too tired to fly having just migrated from way up North. The bird, really needing rest and reprieve from said monkey, had a brilliant idea.

Bird: "You know you can fly like I do."

Monkey: "Really? How can I?"

Bird: "Just spread your arms like I do my wings, jump off this limb and you will fly."

Monkey: "It's really that simple?"

Bird: "Yes it is"

So the foolish monkey

spread his arms out wide, loftily jumped off the branch and quickly descended to the floor of the jungle with a crash.

Bird: "I didn't say you could land gracefully like I can" :)

TODD'S TECHY TIPS

EXPOSING THE TRUTH IN TECHNOLOGY AND PROTECTING YOU FROM ITS DANGERS

I CAN CARRY MY IDOL WHEREVER I GO

Dear Lord, I am thankful for this little idol called a smart phone,
 Because I can carry it with me everywhere I go.
 It's colorful and flashy and makes lots of cute little noises,
 Has tons of alerts, notifications, reminders and useless information; You know!
 I can see the world through this little device,
 And keep my mind in a numbing state of blissful distress.
 Because of this wonderful technology I don't need to seek your direction,
 And pray nearly as much seeing as how I have GPS.
 Lord what's amazing is it allows me to stay in constant touch,
 With all those family members you told me I should forsake in order to be your disciple.
 Now delightfully able to view all those things my conscience tells me is wrong,
 But hey no one can see me except You so the consequences are trifle?
 And God how wonderful is it that I don't have to teach my kids anymore,
 Simply shoving this little device in front of them to doodle.
 It plays videos, games, music and so much more so now when they bother me,
 I simply inform them they don't need me or You just ask Google.
 Now I have so much more free time to gossip with my friends about useless things,
 And when I get the juicy stuff, hit the social media juggernaut.
 Lord can you believe I got 42 likes on my last Facebook post,
 I can't wait to boast about that when I stand before you in the judgment!
 And no I don't need to pick up my bible and read it anymore,
 Because dear Lord I have an app for that on my hip!
 How wonderful is it my teenagers with no real understanding of right and wrong,
 Have access to all the degenerate things the world has to offer at their fingertips.
 But hey even though their minds aren't fully developed,
 They'll learn eventually right and I'm free to get back to my mindless scrolling.
 Wait! Allow me a moment to pause from this talk Lord,
 Just got a notification my last joke has my Facebook friends on the floor rolling.
 True Lord they say these things are addictive,
 Having found myself in a technological daze for hours in times past.
 But God the whole world, practically, is hooked on these dumb little devices,
 And so what if it's sending my soul and my loved ones to hell really fast.
 In closing Lord, thanks again for this little idol I can carry with me wherever I go,
 It has my mind in a constant state of distraction and has pulled my family apart.
 Most of all, drew me away from You and obedience to Your Word.
 But no worries, when the newest, latest greatest version comes out, it'll be in my shopping cart.

This poem "I Can Carry My Idol Wherever I Go" was given to me by the Lord. It's a "if the shoe fits, repent and take off the shoe" poem. Most everyone today treats their smartphones like idols; every age, religion, ethnicity. And you may say it's not an idol to you but remember, your conscience does not lie. God is a jealous God!

Gee ol buddy, it looks like your barely hanging on back there :0) Perhaps I should slow down? Hmmm ... Naaahhhh. Next time when I tell you to, you should probably buckle up buttercup hehe.

WHO ARE THE LITTLE ONES?

Matthew 18:6 "But whoso shall offend one of these little ones that believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea."

The bible is a spiritually discerned book! The little ones Jesus is referring to here are those who are little in their own eyes. Those who put their trust in Him completely and realize that "every good gift and every perfect gift" comes from Him. Those who trust in Him to supply all their need and to let Him fight their battles.

NOT EVEN GOD CAN FIX YOUR PAST

Remember: the devil CONDEMNS, God CONVICTS

The devil cannot read your mind. He can only tempt you and the only way he knows it's working is if you act on it. And one of the chief weapons of the devil is your past mistakes. Throwing them up in your mind in the form of condemnation and regret.

Philippians 3:13-14 "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I PRESS toward the mark for the prize of the high calling of God in Christ Jesus."

Notice the two underlined verbs are PRESENT tense! This means you have to do this on an ongoing basis. How? By speaking this scripture out loud to yourself. The pretense being it must be the original King James version!
